**Workgroup B: Information Sharing & Coordination (excerpted from Committee Structure document, [http://www.rio.iowa.gov/smart\\_planning/assets/2010-06-23\\_proposed\\_committees.pdf](http://www.rio.iowa.gov/smart_planning/assets/2010-06-23_proposed_committees.pdf))**

- i. Develop a set of recommendations that is consistent with the Iowa Smart Planning Principles and does all of the following:
  - 1. Coordinates, facilitates, and centralizes the exchange of information related to state and local planning, zoning, and development between state agencies and the General Assembly.
  - 2. Coordinates discussions concerning a proposed geographic information system between the producers and the users of such systems.
  - 3. Allows the efficient production and dissemination of population and other demographic statistical forecasts.
  - 4. Creates a centralized storage location for all comprehensive plans.
  - 5. Facilitates the cooperation of state and local governments with comprehensive planning, educational, and research programs.
  - 6. Provides and administers technical and financial assistance for comprehensive planning.
  - 7. Provides information to local governments related to state, federal, and other resources for comprehensive planning.
